FOR IMMEDIATE RELEASE

Periodic Products Awarded Philippines Patent for Chelation Technology and Related Applications

Fort Lauderdale, FL – October 28, 2015

Periodic Products today announced that the Company has been awarded a Letters Patent from the Republic of The Philippines. The Patent, No. 1-2020-501053, is for the Company's chelation technology, including its proprietary polymers and related applications.

The Company now holds 17 international patents for its family of polymers.
